

**Sheridan Ice LLC Curling Program
2009/2010 Season Registration Information**

Curling is a team sport played on a rectangular sheet of prepared ice by two teams of four players each, using heavy polished granite stones which slide down the ice towards a target area called the *house*. Points are scored for the number of stones that a team has closer to the center of the target than the closest of the other team's stones.

The Curling program is intended to play and teach the fundamentals of Curling. It is a team-orientated setting that emphasizes fun while developing core curling skills.

The Sheridan Ice LLC philosophy is to create community character through teamwork, cooperation, respect and responsibility towards others.
